

Does my bum look big enough in this?

by Frank Bukowski

Does my butt look too big in this?
Chantille asked
Doing a 360

Tyrone shook his head

You're just saying that, she said
Turning sideways in the mirror
No really, does it look big?

I said, din' I

Chantille looked at him
Then back at the mirror
Sticking out her butt

You liar, it's HUGE!

He shrugged, whatever

Awww c'mon hon

Lookin like I godda goddam beach ball
Sewed on my butt!

Okay, it's small! It's fuckin invisible!

On the drive back in
Chantille sat in stony silence

When he could bear it no more
Tyrone said listen
You really wanna know

Oh GREAT, she said, thanks a bunch!

When they entered the ramp onto the freeway
Tyrone floored it
For two miles neither of them spoke

When we get back, he said
Finally breaking the silence
Do me a favour, yeah?

Chantille's head swivelled in slow motion
She sucked in her cheek

Look up dat Kardashian bitch

Chantille's eyes came out for a walk

Tyrone grinned his answer

Chantille huffed, folding her arms
And turning away

When he glanced in the mirror
